[Sub: Request to give permission for demonstration of few techniques of Rock Climbing Course in your College]

Respected Sir,

We have the pleasure to intimate you that we are going to organise a **Rock Climbing Course** from **27th December to 31st December 2025 at Joy Chandi Pahar, Purulia**. Where one can learn the essential techniques of rock climbing with theory and practical which includes equipment demonstration, tent pitching, bouldering, multi pitch climbing, types of rope knots and their uses, map reading, survival, various types of rappelling and jumaring, fixed rope, hill top, night trekking, artificial aid climbing, river crossing, zipline, rescue techinc, camp fire and many more.

This course is designed as such which is very beneficial for the NCC cadets as well as to a civilian as apart from the bookish world and in era of internet and social media day by day we are totally detaching from the nature and missing out what one can learn from the nature.

So If you kindly give us an opportunity then we would like to give one day demonstration of few techniques of the same in the college to stimulate the spirit of adventure and sportsmanship in the students.

We would also like to mention here that this Rock Climbing Course is totally approved by Indian Mountaineering Foundation (New Delhi) and West Bengal Mountaineering & Adventure Sports Foundation.

We also delightfully mention here that Sport Climbing made its Olympic debut at the 2020 Summer Olympics in Tokyo, Japan and this is in itself a very good opportunity for those who want to further pursue this course at higher levels.

For those who want to study this at higher levels can also avail the scholarship from West Bengal Mountaineering & Adventure Sports Foundation for different courses and expeditions related to mountaineering.

So sir, we most humbly request you to please give us the permission for one day demonstration in your college. We are very much hopeful that your gesture and co-operation will help us to make it into a success.

Thanking You
Yours Faithfully
